

Dear Patron,

The Alsace Township Community Park is hosting a 3rd annual Run for Corey on May 29th. Last year was a great success thanks to those of you that generously supported our event. Unfortunately, our economy hasn't improved and we have been hit harder than ever. We need to keep our children off the streets and out of possible harm. We look forward to the same community support this year, along with the same family fun we had last year. Patrons are welcome to come and participate or set up display tables to promote their business.

We are asking for any donations (gift cards, gift certificates, items pertaining to your business, gift basket etc...) that your company would be able to give for a great cause. We will be holding a raffle for all participants and hope to raise enough money to help us continue to revitalize our park.

If you have the means to give beyond a donation and would like to become a sponsor, you will find the levels from Patron to Gold explained below.

Enclosed you will find a brochure that explains the drive behind this community event. The race that is planned will take place in honor of Corey Stump. As you will read, Corey was a vibrant young boy whose placement on our earth was much too short.
